## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

Palermo Union School District is comprised of six schools: Helen M. Wilcox Elementary School (K-3), Honcut Elementary (K-2), Golden Hills Elementary (4-5), Palermo Middle School (6-8), and Palermo Community Day School (K-8). The district is located in Butte County, in the northern part of California's Sacramento Valley.

Located twenty-two miles south of Oroville, Honcut Elementary is a one-room schoolhouse. The enrollment is approximately 15 students (K-3). Honcut provides a Title 1 school-wide program. We have a full-day Kindergarten program. We also have the following programs: Indian Education and English Learner. The students also have access to chromebooks and a library. Palermo Union School District implements a Professional Learning Community (PLC) model. The teaching staff and administrators have developed differentiated instructional strategies to teach students at all abilities. We have implemented a Response to Intervention (RTI), focus groups, and student tutoring within school hours. Teachers and administrators are implementing Explicit Direct Instruction (EDI) based on student engagement.

School goal-all students will reach high standards, attaining met or exceeded the standard in reading and mathematics by 2022-2023. Progress indicators will be from local district benchmarks, DIBELS, local assessments formative and summative, and are monitored weekly, at each trimester and at the end of the school year.

The mission of Honcut and the Palermo Union School District is to provide a variety of educational programs, in a safe and mutually respectful environment that is effective, accessible, and equitable; prepare students for leadership, employment, and citizenship; and promote students' intellectual, ethical, cultural, emotional, moral, social, and physical growth. We will maintain a safe, caring, moral, drug-free, and supportive environment, with the ultimate goal of students becoming successful, productive and responsible citizens

#### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used are from the most recent state of California adoption. We are currently reviewing the science curriculum for adoption. Honcut Elementary makes sure we have sufficient textbooks and instructional materials for each student. Please see below for a list of materials we use. We also use Wilson FUNDation a systematic, explicitly taught phonics program. This is non-adopted instructional materials.

**Year and month in which the data were collected** November 2020

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	National Geographic: Reach For Reading, 2016	Yes	0.0 %

## School Facility Conditions and Planned Improvements

LEA maintenance staff ensures that the repairs necessary to keep the school in good repair, and working order, are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. A daytime custodian takes care of the day-to-day operational needs on site while helping to maintain safety and cleanliness.

School Facilities: Condition of school facilities meets Education Code Sections: 17014 Necessary repairs, renewals and replacements; enforcements; plan preparation certification 17032.5. Portable classrooms; leases, conditions; 17010.75 (a) Maintenance of facilities; and 17089 (b) Lease of portable classrooms; amount; maintenance; repairs; costs.

Teaching and learning space: Honcut has one classroom with a computer station for student use and the food services distribution facility. Another room houses the Butte County Office of Education (BCOE) library depository for student and staff use and serves as a teacher workroom. A third building houses the BCOE After School Program. All buildings are portables and are between ten to fifteen years old. Student and staff restrooms are adequately maintained, clean and in working order. Honcut playground is adequate in size with sandy and grassy areas. Large Oak trees provide ample shade. Play structures are safe and adequately maintained.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	--	N/A	32	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	--	N/A	17	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Honcut School benefits from an active Parent Teacher group (PTG) shared with Helen Wilcox School. Parents are encouraged to serve on the School Site Council (SSC). Parents and guardians can support their child's learning by monitoring school attendance, and homework completion, participating in extracurricular activities, volunteering at school, attending SSC meetings, and/or planning and participating in activities at home that are supportive of classroom activities. Honcut has held family events such as Harvest Festival and Christmas program.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Suspensions	0.00	5.57	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

In compliance with Ed Code 35329.6, the District Comprehensive Safety Plan/Emergency Management Plan is reviewed, updated, and approved by the Governing Board annually by March 1. Each school maintains a copy of the safety plan on site and a copy of the site's emergency conditions in each classroom. Key elements of the Safety Plan include: a plan of action for maintaining a safe and orderly environment conducive to learning at the school (ie: assessment of school safety, identification of strategies and programs that will maintain school safety and campus security) and emergency management procedures consistent with the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS) developed by the U.S. Department of Homeland Security. Key elements of the site Emergency Conditions include: a plan of action for a coordinated school wide response to emergencies (ie: intruder on campus, fire, emergency lockdown, evacuation, etc.) Safety drills are held on a regular basis. Fire drills are held monthly. Earthquake/disaster and intruder drills are held twice a year. Visitors to the campus are required to sign in with the teacher.

## 2021-22 Types of Services Funded

Honcut Elementary provides standards based, high quality instruction to all students in all subject areas. We provide additional academic support and supplemental services through our school-wide reading intervention time during the school day. Title 1 funding supports improvement of the teaching and learning of children who are at risk of not meeting academic standards and reside in areas with high concentration of children from low-income families. It also provides additional academic support from an instructional aide who works in the classroom under the guidance of a credentialed teacher.

## Professional Development

The district schedules staff development on non-contract days or after school hours: staff development includes afterschool workshops, conference attendance, individual mentoring, and PLC. Areas of focus for staff development is selected based on the needs of the district from achievement data. Teachers are supported through teacher-principal meetings and professional learning communities. PUSD teachers engage in active staff development throughout the year by attending in-District training sessions given by staff and consultants, as well as site-based sessions presented at staff meetings, committee/grade level meetings, and during formal observation post conferences. Staff development has focused on fostering the Explicit Direct Instruction (EDI) and professional collaborative teams. District and site sessions, as well as follow-up classroom observation and feedback, have been provided on the following topics: Student Engagement, Checking for Understanding-TAPPLE, Corrective Feedback, and Delivering Information. August 2020 and October 2022 teachers will given the opportunity to attend a trauma informed training from BCOE. Annually webinars are available for teachers: I-Ready, Reflex and Lexia Core 5. ELD training is being provided in staff meetings after school. Universal Design for Learning strategies are also being presented at staff meetings after school. Annually grade level teams receive 3 days (PLC days) throughout the year to work on data, discuss teaching strategies, watch webinars and work on district let initiatives. This year, PLC days were increased to four. During 20-21 and 21-22 school years many of our inservices were via ZOOM and other online avenues.

This table displays the number of school days dedicated to staff development and continuous improvement.
